Student Testimonial

Alena Ovsienko

The learning process in SEA is very systematic and organized. SEA has a trained professional and a dedicated teacher's team. The infrastructure of SEA is well adequate. SEA is very well equipped with a computer laboratory where students can access to the internet anytime during the class hours. The classrooms are well equipped and we have an organized administration that helps the students in their requirements.

Jaime Astaburaga

My day at SEA was great. I knew about my English, and I think it is less than what I thought. I want and hope to learn a lot and start speaking English very well. The teacher is nice and she teaches us very patiently, gives proper attention. The people in SEA are very friendly and great. SEA has language lab where I can practice my English skills. Moreover, they also have a kitchen facility, so I have no problems with the food. I can come with my own food also. I am enjoying Studying at SEA camp

Mahdi Begriche

I have decided to study English because English is a very important language. I have join Stanford English Academy and hope I can speak good English. Moreover, I can find good job in any country.

Kedthip Tantiburanakun

I join Stanford English Academy because I want to improve my speaking and conversation. Also, I want to prepare myself for IELTS, it requires for Master degree.

Maria Dorothea

I decided to study in Stanford English Academy (India) because here we can practice English not only in school but also on the streets and in the supermarkets. I chose India because I can visit a lot of beautiful places in India and appreciate the wonderful culture and Indian food.

After I finish my Course with SEA I will be able to speak better English and I hope I will be more confident.

Dashka Magar

I want to speak and understand more in English. In future, I want to be an English language guide in my country, Mongolia. I am a Manager in a company, where I have to sit and work, which I don't like. I love travelling and to see how Mongolian beautiful lands for foreign tourists. There are so many foreign people in my office. They speak English very well, except me. So I decided to join Stanford English Academy to improve my English, and I ready to be work hard on English !

**Alshammari
Mohammed Fahad**

I passed my high school, and decided to study in India because English in India is very good. Language English is internationally number 1 language. When I finish my course I want to learn very good English. Also, I want to study in the university.

Daouda Cisse

I decided to study English at Stanford English Academy. Because India is a very good country, especially in here, people speak English as a medium language. I want to have such environment which people around me speak good English all the time

Saheb Singh

I have decided to study English, because my English so weak and English is very important language. So it is very important for me to learn English.

Tsuyoshi Uchida

I work as a programmer in IT Company. Many program language made in English. That is a main reason to join English Class.
